

# Presbytery of Southern New England Shared Mission Grant Application

**PURPOSE:** To encourage new missions and mutual cooperation and participation amongst our congregations, the Stewardship and Mission Committee will be offering matching grants of up to \$2000 (*depending on number of applications*) to mission projects that are supported by 2 or more congregations (or affiliated) of the PSNE. Although we will accept grant applications without support of a PSNE congregation, highest priority will be given grants supported by multiple congregations.

**GRANT PERIOD:** Grants are rewarded for initial support of mission projects and not for sustainable funding. Grants are given on a yearly basis. Congregations and organizations may re-apply for up to 3 years. Grants will be distributed by the end of the calendar year.

**INSTRUCTIONS:** Applications should be submitted NO LATER THAN SEPTEMBER 30 of the current fiscal year. Send to:  
*c/o Stewardship and Mission Committee  
Presbytery of Southern New England  
123 Elm Street, #200  
Old Saybrook, CT 06475*

**ACCOUNTABILITY:** If a grant is made, a brief 1 page report will be expected by June 30 of the following year by the applicant of the grant. In addition, a member of the Stewardship and Mission Committee will set up an appointment for a site visit as possible.
